

<b>Description:</b> Alpha Lipoic	<b>Lot #:</b> 239TA160723
-------------------------------------	------------------------------

	<u>Standard</u>	<u>Result</u> *
<b><u>Physical Properties</u></b>		
Appearance	Light yellow crystalline powder	Complies
Water solubility	Insoluble	Complies
<b><u>Analytical</u></b>		
Assay (Dry Basis, %)	>= 99.0      <= 101.0	99.4
Loss on drying (%)	<= 0.2	0.02
Melting point (C)	>= 60.0      <= 62.0	61.7
Specific rotation (deg)	>= -1.0      <= +1.0	Complies
Stereometric form	Mixture of R and S	Complies
ROI (%)	<= 0.1	0.03
Lead (ppm)	<= 0.5	0.1
Arsenic (ppm)	<= 1	Complies***
Cadmium (ppm)	<= 0.5	Complies***
Mercury (ppm)	<= 0.2	Complies***
Chromatographic Purity	Meets the requirements	Complies***
<b><u>Microbiological</u></b>		
APC (CFU/gm)	<= 1000	<100
Yeast/mold (CFU/gm)	<= 100	<10
E. coli (CFU/gm)	Negative	Negative
Salmonella (25 gm)	Negative	Negative
<b><u>Storage Conditions</u></b>		
Manufacture date		July 11, 2016
Expiration date		July 11, 2018
Storage		Cool dry place sealed in light resistant container
Manufactured by		Plant # 239
Country of origin		China
Revision #		Rev 8    6/22/2016

Approved By:   
 Warren K. Majerus  
 VP Quality Assurance

Date: 1/31/2017
