DigeSEB® Super Pet PB

Proprietary and Confidential

May 01, 2017

NON-IRRADIATION, NON-ETO and NON-SEWER/SLUDGE STATEMENT

The above listed product(s) is neither irradiation nor sludge treatment used in the manufacturing of above listed product. Furthermore, ethylene oxide was not used in the manufacturing of the stated material. Therefore above listed product is a non-irradiation, non-ETO and non-sludge product.

BSE/TSE STATEMENT

The listed product is manufactured using components free of any animal sources and does not contain any animal origin materials. Thus this material is a BSE/TSE-free product.

The information herein is presented in good faith as of the date set forth above and valid for one year thereafter, and we assume no obligation to update this information. Nothing herein is intended as legal or regulatory advice. The information herein is presented solely for your independent consideration, review and verification. This statement does not constitute a representation or warranty regarding the product, and we shall have no liability regarding this statement or your use of the information contained herein.
