Document # P108062088

CERTIFICATE OF GMP COMPLIANCE

Pursuant to: Specialty Enzymes and Biotechnologies (USA) Inc. Located at:
13591 Yorba Ave. Chino, California 91710

This certificate is a document recognizing the compliance of Dietary Supplement products and operations of this organization with quality and safety requirements according to obligatory tests, processes, and expert evaluation, to be in concordance with applicable areas of FDA federal guideline 21 CFR Part 111. Subpart A through Subpart P.

Further, compliance is from the knowledge gained during inspection (audit) of this company, the latest of which was conducted on Monday September 28th. 2015, and it is considered that it complies with the Good Manufacturing Practice requirements as laid down in 21 CFR Part 111.

This certificate reflects the status of Specialty Enzymes Inc. at the time of the inspection noted above and would not be relied upon to reflect the compliance status if more than two years have elapsed since the date of that inspection, after which time the issuing authority should be consulted.

The authenticity of this certificate may be verified with the issuing authority and shall be in effect from: September 28, 2015 through September.28, 2017
