

SAFETY DATA SHEET

Section 1: Identification

Product Name: EpiCor

Manufactured by:

Embria Health Sciences, L.L.C.

2105 SE Creekview Dr

Ankeny, IA 50021

Embria and EMERGENCY phone number: 515.963.9100

Recommended Use of Product: Bulk Raw Material – For the further manufacture of dietary supplements or food.

Issue Date: 18 Dec 2009

Revised: 6 Mar 2015

Reviewed: 12 May 2020

Section 2: Hazard(s) Identification

Product Overview: This product is not considered hazardous by the OSHA Hazard Communication Standard (29 CFR 1910.1200).

Section 3: Composition/Information on Ingredients

Hazardous Components:

CAS #	Name	Percentage
None	None	None

Non Dangerous Components:

CAS #	Name	Percentage
None	Dried fermentate (made using <i>Saccharomyces cerevisiae</i>)	100

Section 4: First Aid Measures

General Information: No special measures required.

Inhalation: If overcome by high dust concentrations, remove to a ventilated area with fresh air.

Skin Contact: Generally the product does not irritate the skin.

Eye Contact: Rinse opened eye for several minutes under running water.

Section 5: Fire-fighting Measures

Suitable Extinguishing Agents: CO₂, dry chemical or water spray. No special fire fighting procedures required for this product.

Fire Fighting Instructions: Control dust.

Section 6: Accidental Release Measures

Person-related Safety Precautions: Not required.

Measures for Cleaning/Collecting: Conventional clean up.

Measures for Environmental Protection: Not required.

Section 7: Handling and Storage

Store product in a dry environment. Avoid strong oxidizing agents, moisture.

Section 8: Exposure Controls/Personal Protection

Engineering Controls: None required.

Personal Protective Equipment:

Eyes and Face: Safety glasses or goggles are a good practice.

Respiratory A general all-purpose dust mask if desired.

Protective Clothing: This product is generally non-irritating to skin.

Section 9: Physical and Chemical Properties

- A.) Appearance and odor: Typical – Free-flowing brown powder.
- B.) pH: 5.0-5.4
- C.) Melting point/freezing point: Not Available.
- D.) Boiling point: Not Available.
- E.) Flash point: Not Applicable.
- F.) Flammable Limits: Not Applicable.
- G.) Vapor pressure: Not Available.
- H.) Vapor density: Not Available.
- I.) Solubility: Partially soluble in water.

Section 10: Stability and Reactivity

General Information: Product is considered to be stable at normal ambient temperature. Avoid high temperature, moisture, strong oxidizing agents. Hazardous polymerization will not occur. Hazardous decomposition will not occur.

Section 11: Toxicological Information

This is a dietary ingredient that is safe for human consumption under the recommended dose.

Section 12: Ecological Information

Expected to be safe for the environment at concentrations predicted for normal use and accidental spill scenarios. Packaging components are compatible with conventional solid waste management practices.

Section 13: Disposal Considerations

In accordance with Federal, State and Local regulations

Section 14: Transport Information

DOT Classification: Not an IATA, vessel or DOT (USA) controlled material.

Special Provisions for Transport: None.

Section 15: Regulatory Information

Not Applicable.

Section 16: Other Information

Although reasonable care has been taken in the preparation of this document, we extend no warranties and make no representations as to the accuracy or completeness of the information contained therein, and assume no responsibility regarding the suitability of this information for the user's intended purpose or for the consequences of its use. Each individual should make a determination as to the suitability of the information for their particular purpose(s).
